

Operational Performance Standards Monthly Report

December 2022

GACA monitors 14 operational performance standards for the most critical passenger journey touchpoints. These standards aim to ensure a unique passenger experience for all travelers within the kingdom's airports, while aligning with international best practices for improving the services provided at the airports.

Airports are ranked based on their compliance in achieving targets set for each standard in a unified way of measurement across all airports. Such as check-in, security control, passport control, customs control, asset availability, PRM assistance services and delays caused by the airport operator.
